Fiscal Year 2009 WIC Breastfeeding Peer Counseling Funds

State Agency: Hawaii

Formula Calculated Amount: \$99,026

Amount Accepted: \$99,026

Grant Period: October 1, 2008 – September 30, 2010

The WIC Breastfeeding Peer Counseling Funds are intended to enable State agencies to implement or maintain an effective breastfeeding peer counselor program. Combining peer counseling with the on-going breastfeeding promotion efforts in WIC agencies around the country has the potential to significantly impact breastfeeding rates among WIC participants, and, most significantly, increase the harder to achieve breastfeeding duration rates. Our long-range vision is to institutionalize peer counseling as a core service in WIC.

By accepting the WIC Breastfeeding Peer Counseling Funds, the State agency agrees to all of the following:

1. Continue to implement/administer a peer counseling program based on research-based components of a successful peer counseling program as identified by FNS (the Loving Support model). The peer counseling program must be consistent with program guidance set forth in *Using Loving Support to Manage Peer Counseling Programs* and *Loving Support through Peer Counseling* training curricula;
2. continue to build upon and expand activities outlined in the State agency's approved breastfeeding peer counseling implementation plan. Include an updated line item budget demonstrating how FY 2009 funds will be used for these activities and submit as an addendum to the FY 2009 State Plan not later than August 15, 2009;
3. include a description of the breastfeeding peer counselor program in the annual State Plan; and
4. fulfill all financial reporting requirements (one annual report due January 3, 2010, and one final report due January 3, 2011). (Departmental regulations at 7 CFR 3016.23 require grantees to liquidate all obligations not later than 90 days after the close of the grant period, and 7 CFR 3016.50 requires that a closeout report be submitted within 90 days after the grant period.)

THESE ARE THE ONLY PURPOSES FOR WHICH THESE FUNDS MAY BE USED.
